[REDACTED] also gave a brief report of his subsequent trip to Frankfurt and the results of his meeting with the G-2 representative, Mr. Frank Copp. [REDACTED] indicated to Mr. Copp, our interest in determining the basis of certain pre-war German estimates of east-west rail line capabilities in Poland and the need for study of the economic requirements of the EuSats area in the event of hostilities -- both for use in the WSEG study.

Report of the Chairman of the Working Group on Port Capacity

25X1A9a

7. Information: Mr. Coxe read a report of [REDACTED], Chairman of the Working Group, indicating that the Group is in the process of reviewing the first draft of a methodology for computing port capacity by the factor method. After this review, which is expected to be completed by the end of July, the Group will investigate the possibility of arriving a methodology based on a formula method.

Report of the Chairman of the Working Group on Inland Waterway Capacity

25X1A9a

8. Information: [REDACTED] reporting for Lt. Col. Brann, Chairman of the Group, indicated that the group had completed a preliminary draft incorporating the essentials of the methodology and was now engaged in reviewing it for overall consistency of approach. The group intends to finalize its report by the end of August.

Report of the Chairman of the Working Group on Highway Capacity

25X1A9a

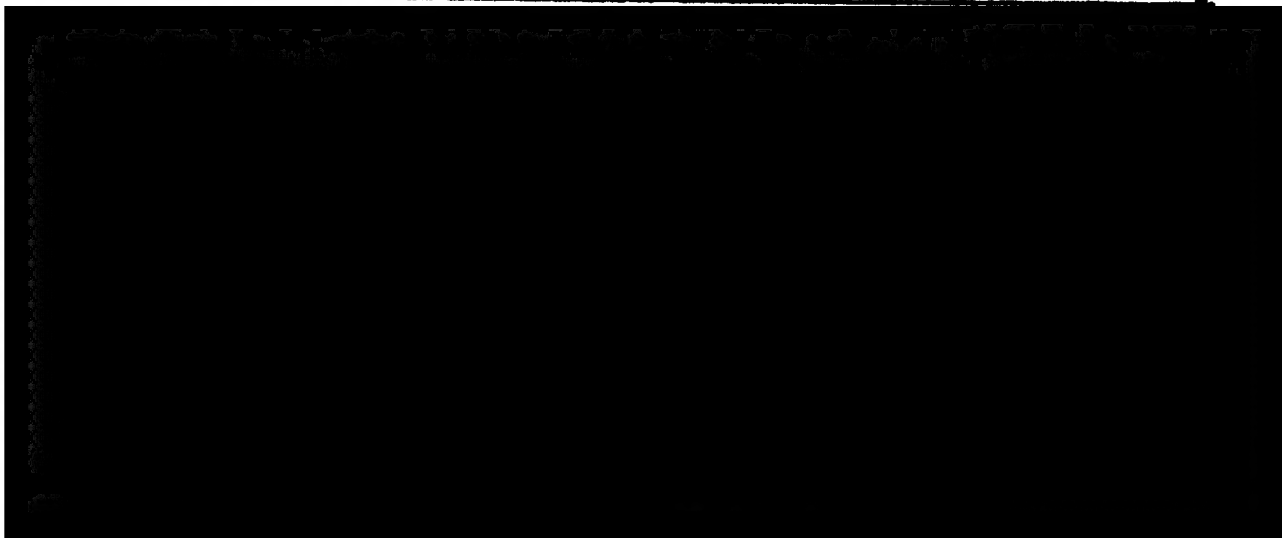

9. Information: Lt. Col. Moore read a statement by [REDACTED] Chairman of the group, which indicated that the group had reviewed available methods of determining highway capability and had agreed to use the TC Method for basic guidance. The group is now tabulating capacities of vehicles and predominant road types to develop factors for adjusting basic values.

Report of the Chairman of the Transportation Capabilities Estimates Group

Distribution and Discussion of IAC Post Mortem on NIE 13-56

12. Action: The members discussed the pertinent section of the IAC Post Mortem and agreed to review the outstanding requirements and planned research of their respective agencies to determine the extent to which they might overcome existing deficiencies. Results of the review were to be reported to the Secretary within two weeks.

Distribution of EIC Outline for Annual TSC Report on Activities During Fiscal Year 1955-1956

13. Action: [redacted] distributed copies of the subject outline and asked the members to contribute any ideas they wished the annual report to contain.

[redacted signature]

Executive Secretary
